SUCCESS STORY

▶ The Vikings had their “Play for Patrick” game a week ago against Beloit. During the course of the evening, \$1,000 was raised to benefit 21-year-old Patrick Fridland, a De Pere native. Fridland was diagnosed in September 2015 with osteosarcoma, a form of bone cancer. Osteosarcoma occurs mostly in children and young adults and attacks bones that are growing quickly. It most commonly attacks areas around the knee or shoulder. Fridland’s connection to Lawrence women’s basketball comes through Vikings junior guard Aubrey Scott (Appleton, Wis./East), a family friend. Fridland, whose cancer was found in his leg, went through chemotherapy from September to January. He also had surgery to remove the tumor in early January and had his leg amputated. He is currently undergoing additional chemotherapy. Cash do-

nations will be used to help Fridland purchase a prosthetic leg and benefit the Children’s Cancer Research Fund.
