 Message in red will vary depending on the registration period and time of the term.

### Winter Term 2010

#### Winter Term 2010 World Prehistory - 1031 - ANTH 120

**Registration for this term is over. Changes or corrections to registration now by petition only. Students should contact their academic advisor.**

**Classes have begun. Approval of the instructor is now required for registration.**

**Prerequisites/Notes:** Freshman or sophomore standing; consent of instructor required for juniors and seniors

**Catalog Description :** An introduction to the peoples and cultures of the world from 40,000 years ago to 2,000 years ago. Major events in world prehistory, such as the origins of agriculture, the rise of cities, and the spread of states, are examined and discussed. General trends in cultural evolution are proposed and evaluated.

**Attributes:** Social Science Div GER (01cr), Diversity-Global GER (01cr), BM Social Science (01cr), Introductory Course
